KJ Questions for Peter Schwartz 2/16/89:

1) Paper specs (any changes?) Recommend going up to 100#

2) Number of copies to print 500

3) Number of "extra" charts Still open

4) Charts - all within budget

   a) work on charts not being used
   b) extra work because of not having originals
   c) final number of charts

5) Final number of pages - 80 as estimated

6) Final color vs b/w page breakdown - KO to estimate, then confirm w/GBN

7) Any extra expenses due to late reciept of materials? Not as of now, some delays, but as long as we stay within our budget we will not need to charge extra

8) OK to have George Litho bill GBN direct? Final printing cost available after all these questions have been decided

9) Timeline adjustments

10) Need signed agreement
